Dear Parents,

Greetings from Apeejay Schools.

The Apeejay Schools, part of the Apeejay Education Trust, is one of the service-oriented initiatives of the 112-year-old Apeejay Surrendra Group, headquartered at Kolkata, and operating successfully all over the country. The group engages and positively employs thousands of employees from across all states with the sole aim to provide the best service to all its customers.

Apeejay Schools are intellectual and creative centres that enable learners to imbibe the three powerful virtues of a truly educated individual: Strength, Vision and Wisdom.

Since 1975, for 47-plus years, the Apeejay Schools have been successfully providing best quality education, support, growth and development to thousands of children all over the country, amidst safe, secure and environmentally friendly state-of-the-art campuses in Kolkata, Bhubaneswar and Haldia.

The Apeejay Schools have won innumerable accolades for Academic Excellence and admiration for the strong bond of trust, faith and support between the school, parents, teachers and staff.

With an unrelenting focus on the emotional, spiritual, physical and mental growth of the child, we prepare a little over 3000 children, annually, to mature into socially responsible citizens.

Our Mission is to strive to make our Schools vibrant spaces that enable learners to imbibe Shakti, Drishti and Prajyan, educating our children not merely for living but for life.

The Apeejay Education Trust directly and indirectly runs and supports schools in small villages and districts while also taking care of underprivileged children. The Surrendra Paul Gramodaya Vidyalaya is a comprehensive educational institution and plays a key role in the development of Chitrakoot and adjacent villages in Madhya Pradesh, areas identified as most backward by the Indian Planning Commission.

You may visit the website: <http://www.apeejaygroup.com/backwardareaschools.html> to know more on this.

The Apeejay Children's Library, an initiative running in all our Schools as well as other locations, provides free-of-cost education to thousands of underprivileged children and helps them with reading, computer training and other basic activities.

The Apeejay Education Trust has sponsored the education of talented children identified through this unique Education Support Programme, which is run by teacher and student volunteers from the Apeejay Schools.

Please visit our website <http://www.apeejaygroup.com/apeejaySchools.html> and read through the rich legacy of the work, service and support offered to children all over the country.

The Apeejay Schools respect the dignity and worth of all children because we believe that each child can be fostered to manifest their full potential within a school environment that is both caring and challenging. Apeejay School, Park Street, Kolkata, has been recognised as an Outstanding Academic Institution for Inclusive Education by the Office of the State Commissioner for Persons with Disabilities, Department of Women & Child Development & Social Welfare, and Government of West Bengal.

The Apeejay Schools' faculty are well-qualified, experienced, matured, loving, caring and trained with 21st century technology needs to provide high-performance, new-age teaching pedagogy and curriculum for each and every student.

The Apeejay Schools are always keen to promote Academic Excellence through caring, supportive and professional education.

We are happy to inform you about our significant success in the Grade 10 board results of 2021 at Apeejay School, Bhubaneswar. 99% of our students scored 90% and above in aggregate in the board exams, which is a stupendous achievement and benchmark set by our teachers and students.

The 2022 Term 1 board results have also been good, with our students scoring high marks. The topper of the School has scored 99.5%, surpassing previous records.

We owe this success to the numerous interventions of our diligent staff members and outstanding teamwork between teachers and students. We hope that this standard will not only be maintained but also improved upon as we promote and celebrate excellence through determination and hard work.

There are many discussions about the need for education to be different, and it sometimes feels as if we are living in an echo chamber with everyone agreeing that change needs to happen. We have introduced more interesting and organised teaching pedagogies to ensure we provide Quality First Teaching at Apeejay School Bhubaneswar. Some of these changes are:

- Achieving Deep Learning in all subjects across the Apeejay School Bhubaneswar.
- Introduction to Maths mastery through the NIIT Maths lab
- Improved observation and assessment in Early as well as Primary Years
